EXPERIENCE **UX Designer**

UE Group & WIN | *Aug 2023 - Dec 2023*

- Redesigned a non-profit's website, enhancing its organization and usability for users through intuitive navigation and restructuring.

UX Design Intern

Alzerina Jewelry | *May 2023 - Aug 2023*

- Consulted with the client to determine website objectives, identified key issues hindering those goals, and successfully resolved them, focusing primarily on enhancing aesthetics, readability, and cohesiveness.

UX Researcher

Keylime Interactive | *Jan 2023 - May 2023*

- Conducted research on prevailing and emerging trends within the entertainment industry, with a specific emphasis on enhancing the concert-going experience.
- Designed futuristic products for concert venues that create a more interactive experience while addressing common safety issues.

UX Designer

Hack the Future | *Aug 2022 - May 2023*

- Coordinated with a team of 8 developers to design an interactive map that enables users to gain an appreciation for the historical significance of their city.
- Developed comprehensive wireframes and mockups that balanced the client's objectives with the technical constraints.

LEADERSHIP **Women in Technology**

Aug 2022 - Present

- Inspire freshman members to pursue careers in STEM and provide guidance on gender biases they may face.

Junior Youth Mentor

June 2018 - Present

- Guide a group of middle schoolers through meaningful conversations about their ability to affect a positive change in their local communities.

SKILLS

- Figma, Adobe Suite, Wireframing, Story Boarding, WordPress, HTML, CSS, JavaScript, Prototyping
